

# PROSPECT POINT BOAT YARDS

157 ROUTE 181 - LAKE HOPATCONG, NJ 07849

973.663.0167 - FAX 973.663.0785

Email: [ppboatyard@aol.com](mailto:ppboatyard@aol.com)

Dear Valued Customer:

Sadly, it is coming to that time of year again, Winter Storage. Please find our attached contract and take a few moments to review our new policies and pricing.

## TERMS AND CONDITIONS:

**MAKE SURE BATTERIES AND KEYS ARE IN THE BOAT FOR WINTERIZATION.**

Batteries are disconnected and left in boat unless otherwise stated or requested to be removed.

Prospect Point accepts no liability for propellers, canvas, extension cords, electronics etc. It's the customers responsibility to check out dock for any items left behind. Any missing items are not the responsibility of Prospect Point.

Any boats that were stored with us for winter and left after 6/5/16, a storage fee will be charged until boat is picked up or other arrangements made.

The owner must remove all carry on electronics & equipment from the boat. Prospect Point holds no liability.

The boat owner agrees to carry his/her own insurance for fire/theft/storms/vandalism. Prospect Point will not be responsible for any losses or damages, theft, natural disaster or vandalism to any property including boats, trailers or personal property.

The terms of this land lease expires May 1, 2016 at all winter storage locations.

If a customer does not sign this agreement, but instead calls to make arrangements over the phone for boat storage, the customer automatically agrees to terms and conditions of this contract.

All required information must be filled out completely signed and dated with **FULL PAYMENT** when signed and/or called in for pickup & winterization. Your boat will not be winterized if you have not paid in full.

If you are storing with Prospect Point for the winter, your placement for winter storage will dictate at our discretion, when your boat will be launched in the spring. We will do our best to accommodate your needs. Please call and give us a 3 week notice to request your launch in the spring. We will do our best to accommodate you, but if your date changes, you may have to wait until the boats in front of you have been launched. Once your boat has been summerized you will need to pick up within 7 days.

If you have any questions or concerns, please do not hesitate to contact us. Thank you.
