

THE 2016 FLEET

With more than 50 years of boat building experience there is one thing we have learned...our best days are yet to come. Chaparral is one of the world's leading boat builders. There's a boat load of reasons why. We pride ourselves on innovation, quality, value and customer satisfaction. Nothing but the best materials and components will do. We also have a solid management team that has been in place since day one.

SSi 216 • 225 • 226 • 246

SSi is the most award winning line of boats in marine industry history. For good reason. Unique style lines start at the bow and continue to the swim platform styling. All of the boats feature a forward anchor locker, custom bucket seats, molded fiberglass gunwales and stainless steel grab handles. At the helm, a hand-stitched vinyl brow adds a touch of class. Aft, all SSi bowriders feature a full-width sun pad that converts to a chaise lounge and also has a flip-up cushion for walk-thru access.

SUNESTA 224 • 244 • 264 • 284

We coined the term "sportdeck" when we introduced our Sunesta line. Deck boat didn't do it justice. Sport boat was too limiting. Sunesta is all about living the dream. All Sunestas feature an enclosed head and a wet bar (standard or optional). In the bow, adult-sized legroom invites you to stretch out. We defy you to find a boat with more cargo space. Dry riding freeboard creates a safe feel. The helm is both high class and high tech. Aft, a unique U-Slide lounge can be positioned as a seat, sun pad or a chaise.

SSX 227 • 257 • 257SE • 277 • 287 • 307 • 337

Highlighted by the introduction of our incredible new 227 and 337, the SSX Series is at the pinnacle of boating excellence. It doesn't get any better than this. No expense is spared in our quest to build the best boat money can buy. No feature is overlooked. No detail is too small. At the helm, you'll find advanced technology wrapped in exceptional elegance. Our enclosed heads are penthouse quality. All of the boats feature clever multi-position seating, massive storage and walk thru transom access.

SIGNATURE 270 • 290 • 310 • 330

In the market for a top tier cruiser? Go Signature. All Signature cruisers showcase luxurious hand stitched diamond pattern cockpit upholstery. Designed for entertaining, cockpit wet bars, insert tables and a host of drink holders help get the party started. Belowdecks, discerning buyers can pick from assorted premium fabrics and materials. In the galley, stainless steel appliances create a striking contrast with solid surface countertops. Finally, all Signature aft cabins offer adult sized sleeping accommodations.

SUNCOAST 210 • 210SF • 230 • 250

Designed for fresh and saltwater waterways, the SunCoast Series brings Chaparral's patented brand of quality and style to the world of outboard sport decks. An innovative wraparound swim platform blends the engine beautifully into the hull profile. It's a modern, streamlined look the bolt-on-transom guys envy. Durable. Seaworthy. cavernous storage. Huge seating capacity. Real Deal pricing. Add it all up and you've got the hottest new line of outboards on the water.

VORTEX 203VR • 203VRX • 223VR • 223VRX • 243VR • 243VRX

We like to say we're not just building a new line of jet boats, but a Chaparral with jet power. What's the difference? Plenty. We bring more than five decades of boat building know-how to the fast moving jet market. Construction quality is up. Way up. Fit and finish has never been better. And our award-winning design innovation is renowned the world over. Six trendsetting jet boats...all available at Real Deal prices including a trailer. We invite you to take the Vortex Challenge. You can't afford not to.

H2O 18 SPORT • 18 SKI&FISH • 19 SPORT • 19 SKI&FISH • 21 SPORT • 21 SKI&FISH

You can't really live without H2O. Determined to take all the guesswork out of boat buying, H2O launched Real Deal pricing. The boats have exceeded the wildest expectations of first time and veteran boaters alike. Why? Chaparral style. Flexible seating arrangements. Complete standard equipment. Extended V-Plane performance. We don't cut corners on an H2O. The Chaparral name on the hullside guarantees the world's finest design, attention to detail and customer service.

216SSi

If you're eyeing premium bowriders, the legendary 216 SSI delivers Chaparral quality and innovation at its family bowrider best. Every style line is unique, every feature user friendly. Even the sundeck upholstery is sculpted to match the swim contours. Recessed side panels open up a cockpit layout that's oh so inviting. A Bimini top with windscreen, full height windshield and a hinged bow door provide all-season comfort.

LOA W/PLATFORM 21'6" (6.55M) • BEAM 8' 4" (2.54M)
FUEL 36 GAL (136L) • WEIGHT 3,500 LBS (1,588KG)

226SSi

Simply stated, there isn't a better built boat in this size range than the 226 SSI. Adult-sized bow seats feature storage below. Twin buckets provide max support and comfort. A space efficient U-shaped cockpit seating layout helps account for the boat's best-in-class 12 passenger capacity. Key standard features include LED lighting, a molded drainage system, side mount table and a sound system that rocks the water.

LOA W/PLATFORM 22'6" (6.86M) • BEAM 8' 6" (2.59M)
FUEL 45 GAL (170L) • WEIGHT 3,900 LBS (1,769KG)

225SSi

Chaparral's 225 SSI is perfect for the family that sees boating as a weekend long adventure. Why go cuddy? How about overnight accommodations for two, welcome sun relief, a huge protected storage area and the biggest privacy compartment you will find at this length. Key reasons the 225 SSI remains a family favorite include a clever U-Slide lounge, a wide open cabin entryway and easy bow access.

LOA W/PLATFORM 22'6" (6.86M) • BEAM 8' 6" (2.59M)
FUEL 54 GAL (204L) • WEIGHT 4,200 LBS (1,905KG)

246SSi

Everything that makes SSI boating's most award winning line is present in our 246 flagship, plus you get an enclosed head. There's so much to like about this blockbuster 24-footer. Twin ice chests. Wakeboard sized floor storage. Optional beach weave carpet. Built right with fiberglass innerliner construction, Quad Radial lamination, Kevlar® reinforcement and premium vinyl, the 246 carries a Limited Lifetime Hull Warranty.

LOA W/PLATFORM 24'6" (7.47M) • BEAM 8' 6" (2.59M)
FUEL 64 GAL (242L) • WEIGHT 4,400 LBS (1,996KG)

224SUNESTA

We call it Wide Tech™ technology...you'll call it the best thing that ever happened at 22-feet. The 224 Sunesta mixes the roominess of a deck boat with the zest of a sport boat. Uncover huge storage areas under the seats, in the starboard console and in a wakeboard-sized floor locker. A handy cockpit wet bar and an enclosed head are creature comforts that allow you to spend an entire day on the water in total comfort.

LOA W/PLATFORM 22'4" (6.81M) • BEAM 8' 6" (2.59M)
FUEL 49 GAL (185L) • WEIGHT 4,000 LBS (1,814KG)

264SUNESTA

You've seen them at dockside barbecues, rafting parties, cruising shorelines, pulling the kids and towing wakeboarders. The 264 Sunesta is indeed designed to match your lifestyle. We took a W-I-D-E approach while designing the 264. Legroom, storage space and overall comfort in the bow are ideal for family outings. L-shaped seating is highlighted with an innovative U-Slide lounge that lets you tan in Chaparral style.

LOA W/PLATFORM 26'4" (8.03M) • BEAM 8' 6" (2.59M)
FUEL 80 GAL (303L) • WEIGHT 5,400 LBS (2,449KG)

244SUNESTA

Everywhere you look, the supersized 244 Sunesta one ups rivals when it comes to roominess, quality and style. Spacious L-shaped cockpit seating, supportive bucket seats, an enclosed head with porta-pottie and a clever U-Slide lounge all say "Welcome Aboard" in a big way. Well-equipped standard, you can take the 244 up a notch with optional bow and transom showers along with a swim platform logo mat.

LOA W/PLATFORM 24'4" (7.42M) • BEAM 8' 6" (2.59M)
FUEL 63 GAL (238L) • WEIGHT 4,400 LBS (1,996KG)

284SUNESTA

Let's get this party started. Wide Tech™ styling accounts for one of the roomiest bowrider areas under 30-feet. The head ranks best-in-class. U-shaped cockpit seating accommodates friends and family galore. Set-up for entertaining, an optional galley and gas grill means everyone will find out why food tastes better when it's served waterside. Consider it impossible to max out the 284's massive storage capacity.

LOA W/PLATFORM 28'4" (8.64M) • BEAM 9' (2.74M)
FUEL 111 GAL (420L) • WEIGHT 6,400 LBS (2,903KG)

227SSX

Brace yourself for an “aha” moment. All new for 2016, the 227 SSX is a big boat for its size and clearly superior to rivals when it comes to seating capacity, legroom, storage space and performance. Luxuriously appointed, frankly, nothing comes close to measuring up. The 227 is a stellar tow boat with an Oasis lounge that makes observation aft easy. The large swim platform can be equipped with an optional logo mat.

LOA W/PLATFORM 23' (7.01M) • BEAM 8' 6" (2.59M)
FUEL 45 GAL (170L) • WEIGHT 3,900 LBS (1,769KG)

257SSX^{SE}

Reaction to our twin sun lounge 257 SSX was so strong we decided to offer a twin sister with a more conventional side-entry layout. Enter the 257SSXse. Featuring an enormous bow area, spacious L-shaped cockpit seating with a starboard settee, the 257 has a massive 16 person capacity with storage space to match. Aft, the sun lounge has flip-up walk thru access to the most functional swim platform in this size range.

LOA W/PLATFORM 25'6" (7.77M) • BEAM 8' 6" (2.59M)
FUEL 72 GAL (273L) • WEIGHT 4,700 LBS (2,132KG)

257SSX

You have to see the ingenious 257 SSX to believe it. Only Chaparral could craft a family bowrider with so many different seating options. Side-by-side lounge seats manually "switch" from a sport boat interior to the ultimate in sun worship. The eye appeal and attention to detail is simply stunning. Walk-thru swim step access, transitional cockpit seating and a helm that is both elegant and high tech sets the 257 SSX apart.

LOA W/PLATFORM 25'6" (7.77M) • BEAM 8' 6" (2.59M)
FUEL 72 GAL (273L) • WEIGHT 4,700 LBS (2,132KG)

277SSX

The style lines are bold, the Powerline hull contours unique and the overall performance...well let's just say competitive 27-footers are oh so envious. An adult-sized bow area works perfectly with spacious U-shaped cockpit seating and a well-equipped enclosed head for the ultimate in onboard comfort. Key options include a cockpit wet bar, refrigerator and our new super easy folding arch tower.

LOA W/PLATFORM 27'6" (8.38M) • BEAM 9' (2.74M)
FUEL 105 GAL (397L) • WEIGHT 5,850 LBS (2,654KG)

287SSX

With its enclosed head, dual wide helm seat, U-shaped cockpit and well-equipped wet bar, the 287 SSX has more freeboard, beam and legroom than any bowrider you'll find under 30-feet. Factor in a value-minded price and you'll understand why the 287 SSX is a boating legend. Extended V-Plane performance lets you pursue distant ports in a sport boat that blends excitement and elegance.

LOA W/PLATFORM **28'10" (8.79M)** • BEAM **9' (2.74M)**
 FUEL **102 GAL (386L)** • WEIGHT **6,800 LBS (3,084KG)**

307SSX

You just hit the sweet spot in our SSX fleet. Expertly detailed, plush in every appointment and available with single or twin engine options, the marvelous 307 SSX is bred to perform like no other luxury 30-footer. Marvel at the dash details as you consider the possibilities of a versatile seating design that is highlighted by a dual-wide captain's seat. Storage space is unmatched and the sound system is tuned in.

LOA W/PLATFORM **30'6" (9.30M)** • BEAM **9' 6" (2.90M)**
 FUEL **125 GAL (473L)** • WEIGHT **8,400 LBS (3,810KG)**

337SSX

It's a Bowrider. It's a Sportboat. It's a Sportcruiser. Actually the all new 337 SSX is a combination of all three. At first glance you will marvel at the workmanship, first rate attention to detail and endless seating capacity. Bowriders aren't supposed to be this big. Then you look closer and discover that behind the portside entry door isn't a privacy head but a lavish beam-to-beam cabin. Simply amazing. Belowdecks you'll enjoy overnight provisions for two, an enclosed shower and a mini galley. In the cockpit standard features include a hard top, dual wide helm and companion seats and a stainless steel windshield cap.

LOA W/PLATFORM **33'6" (10.21M)** • BEAM **10' (3.05M)**
 FUEL **150 GAL (568L)** • WEIGHT **12,000 LBS (5,443KG)**

270SIGNATURE

Nobody but Chaparral could do so much with a 27-foot cruiser. Two cockpit seating options let you decide whether to focus on entertaining or watersports. Brilliantly balanced, our lone single engine cruiser tracks true and tames big water effortlessly. An integrated swim platform finalizes a seamless look bow to stern. Belowdecks enjoy 6'4" headroom, overnight provisions for four and a gourmet quality galley.

LOA W/PLATFORM 27' (8.23M) • BEAM 8' 6" (2.59M)
 FUEL 79 GAL (299L) • WEIGHT 6,900 LBS (3,130KG)

310SIGNATURE

Mix next generation styling, amazing performance and a plush cabin and you've got the 310 Signature. A standard fiberglass hardtop creates a big cruiser feel. Two cockpit seating options meet every need. An aft couch with a transom storage trunk is standard. Fore and aft bench seating that easily converts to a sun lounge is optional. The cabin layout features an oversized forward berth and a huge aft cabin.

LOA W/PLATFORM 31' (9.45M) • BEAM 10' (3.05M)
 FUEL 118 GAL (447L) • WEIGHT 10,600 LBS (4,808KG)

290SIGNATURE

A time tested performer, the 290 Signature might well be the most space-efficient family cruiser you'll find under 30-feet. Twin engine V6 power propels the 290 to a distinct performance edge over comparably-sized rivals that only offer single engine power. Want a custom look? The options list includes a radar arch, a windlass, underwater lights, gas grill, remote spotlight and an AC/Heat system.

LOA W/PLATFORM 29' (8.84M) • BEAM 9' 6" (2.90M)
 FUEL 87 GAL (329L) • WEIGHT 9,100 LBS (4,128KG)

330SIGNATURE

Our 330 Signature flagship sets the standard in cruiser design. Onboard you'll enjoy premium cabin fabrics, a penthouse quality galley and incredible performance. Two cabin layout options are available: A full forward overnight privacy berth or wraparound forward seating. Either way, you'll enjoy luxurious details like a symphonic quality sound system, eye level ports, a dual wide helm and a well equipped wet bar.

LOA W/PLATFORM 33' 6" (10.21M) • BEAM 10' 6" (3.20M)
 FUEL 164 GAL (621L) • WEIGHT 12,900 LBS (5,851KG)

SUNCOAST

REAL DEAL PRICES STARTING AT
\$39,895

210SUNCOAST

In the past 50+ years we've built scads of different 21-footers and none impress like the phenomenal new 210 SunCoast. The ride of a lifetime starts with rocket ship acceleration, motors into a responsive cruise range then goes beyond exciting at full throttle. Rarely seen at this length, the 210 includes an enclosed privacy compartment. Aft, the swim step adds a stylish touch, integrating the engine into the overall design.

LOA W/PLATFORM 20'10" (6.35M) • BEAM 8' 6" (2.59M)

203VRVORTEX

Do yourself a favor. If you're eyeing a jet boat in the ever popular 20-foot range, size up the 203 VR on our website. If there's one size bracket where the Chaparral difference comes shining through this is it. In a detailed head-to-head matchup, the 203 comes out on top in passenger comfort, storage space, and construction quality. Then there's the matter of performance: No Contest. The facts don't lie. Find out for yourself.

LOA W/PLATFORM 20'3" (6.17M) • BEAM 8' (2.44M)
FUEL 35 GAL (132L) • WEIGHT 2,500 LBS (1,134KG)

223VRVORTEX

You haven't lived until you've experienced the fast adrenaline rush of a 223VR. Nothing on the water beats the cornering agility. Exciting? Words can't describe it. Intricate stitch work and upholstery color accents match the eye-catching exterior graphics. Rotax® power delivers phenomenal performance. Fully computerized for your driving pleasure you can also upgrade to an optional Medallion touchscreen.

LOA W/PLATFORM 22'3" (6.78M) • BEAM 8' 6" (2.59M)
FUEL 52 GAL (197L) • WEIGHT 3,500 LBS (1,588KG)

203VRXVORTEX

If you've owned a true high performance sports car you can relate. If not, the 203 VRX is as close as you can get on the water. Six vibrant color choices—all with striking black bottom gelcoat—create a high speed look even when the boat's standing still. A Raptor Folding Arch Tower (black or white) and a ski mirror are standard.

LOA W/PLATFORM 20'3" (6.17M) • BEAM 8' (2.44M)

An award winning stroke of engineering brilliance, ASP redirects the jet thrust to create the perfect surfing wave. No other jet boat has it.

AWARD WINNING VORTEX AERIAL SURF PLATFORM

It's boating's biggest craze. Everybody's doing it. Or at least wants to learn how. An NMMA Innovation Award winner, Chaparral's Aerial Surf Platform (ASP) is revolutionizing the jet boat world like never before. When it's all about the wake, ASP is a game changer. Big time. Gone are the days of spending \$100K+ on a surf boat. How does it work? Brilliantly. ASP redirects the jet thrust to create a wave no other jet boat can match. Along with a triple tank ballast system the driver can fine tune an ASP wake to match any skill level. Yes, whether you're a first-timer, weekend warrior or an advanced enthusiast, ASP delivers a spectacular surf wave that just keeps going...and going...and going. ASP is optional on our 223 and 243 Vortex models. All we can say is "Surfs Up."
